NIGHTSTICK® Life Depends on Light

PERFORMANCE, QUALITY AND VALUE

REAL-WORLD PRODUCT PERFORMANCE | Nightstick lights outperform the competition with superior lumens, candela, beam distance and run-time. The Nightstick product line is built with industry-leading LEDs, durable housing materials, precision engineered reflectors, reliable switch functionality, innovative electronics and the latest generation battery technology. Many products include our innovative Dual-Light technology, allowing simultaneous use of both flashlight and downward floodlight, for maximum safety and visibility when needed the most.

UNWAVERING COMMITMENT TO QUALITY | Designed and engineered in Texas, our products are produced in dedicated ISO 9001 certified factories undergoing rigorous quality control inspections by independent 3rd party inspectors at multiple points during the manufacturing process. Additional quality control inspections take place as products arrive and leave our distribution facility. This commitment to excellence continues throughout the customer service experience...with a goal of 100% customer satisfaction and backed by a Limited Lifetime Warranty.

EXCEPTIONAL VALUE | The Nightstick product line is designed and manufactured to outperform any other product in its class. We are committed to delivering the industry's best performing, highest-quality lighting products at the lowest possible price.
